

2019 RIESLING TROCKEN

VDP.GUTSWEIN – 19106

VDP.GUTSWEIN

They say that you never get a second chance to make a first impression. Our Gutswein serve as that calling card, introducing the elegance and sense of place for which our Rheinhessen estate is known. The grapes are all grown in our own vineyards, cultivated bio-dynamically and tended by hand. They are exceptionally food friendly wines both in their youth and as they mature.

VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. In the cellar, gentle pressing is followed by traditional vinification methods. The wines are primarily fermented in traditional large barrels.

TASTING NOTE

Our estate Riesling is a full-time ambassador of its Rheinhessen roots. Grown on the limestone soils of Westhofen, it is an "true" Wittmann.

PRESSE REVIEWS

James Suckling – 93 Points: "What a beauty for this category! Wonderful, mirabelle nose, then a concentrated and beautifully proportioned palate with lively, citrusy acidity keeping everything bright. Super finish! From biodynamically grown grapes with Respekt certification. Drink or hold."

Jancis Robinson 2020 – 16.5+ Points

Robert Parker Wine Advocate – 91 Points: „The 2019 Riesling trocken is bright, very clear, deep and intense on the precise, reductive and slightly flinty nose. On the palate, this is juicy, well-concentrated and silky-textured yet firmly structured dry Riesling with lingering salinity and lovely mineral purity. Very long, perfectly round and highly stimulating.”
