

2019 GRAUER BURGUNDER TROCKEN

VDP.GUTSWEIN – 19108

VDP.GUTSWEIN

They say that you never get a second chance to make a first impression. Our Gutswein serve as that calling card, introducing the elegance and sense of place for which our Rheinhessen estate is known. The grapes are all grown in our own vineyards, cultivated bio-dynamically and tended by hand. They are exceptionally food friendly wines both in their youth and as they mature.

VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. In the cellar, gentle pressing is followed by traditional vinification methods. The wines are primarily fermented in traditional large barrels.

TASTING NOTE

A Pinot Gris with a creamy body and delicate fruit. Elegant nutty aromas come together before fading into a long, herbal finish. A beautiful pairing for nearly every occasion.

„[...] round and fruity but finely structured and creamy Pinot Gris with nervy freshness and Burgundian finesse, flavour and tension. Honestly, this is an excellent Pinot Gris, and it is much closer to the Chardonnays from the Côte Chalonnaise or Mâconnais than any Pinot Grigio I know.“
