

## 2021 GRAUER BURGUNDER TROCKEN

ESTATE – 21108

### ESTATE

They say that you never get a second chance to make a first impression. Our ESTATE wines serve as that calling card, introducing the elegance and sense of place for which our Rheinhessen estate is known. The grapes are all grown in our own vineyards, cultivated bio-dynamically and tended by hand. They are exceptionally food friendly wines both in their youth and as they mature.

### VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. In the cellar, gentle pressing is followed by traditional vinification methods. The wines are primarily fermented in traditional large barrels.

### TASTING NOTE

*Elegant, nutty fruit - pear - delightful creaminess*

“Entirely from Westhofen grapes, the 2021 Grauer Burgunder trocken shows a clear, pure, fresh and precise nose with bright fruit intertwined with finely reductive flint-stone notes. Very elegant and juicy on the palate, this is a pure but round and dry Pinot Gris with fine phenolic grip on the elegant and finely bitter finish.” – *Stephan Reinhardt, Robert Parker Wine Advocate*
