2022 MORSTEIN RIESLING TROCKEN GROSSES GEWÄCHS

VDP.GROSSE LAGE – 22119

VDP.GROSSE LAGE

VDP.GROSSE LAGE denotes Rheinhessen's highest-quality vineyards, each precisely demarcated by parcel. Wines grown in Grosse Lage sites are notable for their extraordinary sense of place and cellarability.

THE VINEYARDS

The pure south-facing slope runs along a high plateau (280 meters above sea level) and is the oldest single site in Westhofen (first mentioned in 1282). The VDP.GROSSE LAGE MORSTEIN sits in the heart of the hillside, between 180 – 240 meters of elevation and with inclines of up to 20%.

THE SOIL

The soils are primarily heavy clayey marl soils, with limestone deposits in the upper layers. The substrate is further dominated by porous layers of limestone rock, ensuring an optimal support of nutrients and minerals.

TASTING NOTES

“Breathtaking nose (...) with giant leesy complexity, swirling together to create a great cloud of mystery. Then you descend into a deep pit of minerality. Almost supernatural fresh and energy on the blade runner sharp palate.” – *Stuart Pigott, James Suckling*
