2023 HÖLLENBRAND SPÄTBURGUNDER TROCKEN GROSSES GEWÄCHS

VDP.GROSSE LAGE® – 23132

VDP.GROSSE LAGE®

The classification VDP.GROSSE LAGE® denotes Rheinhessen's highest-quality vineyards, each precisely demarcated by parcel. Wines grown VDP.GROSSE LAGE® sites are notable for their extraordinary sense of place and ageing potential.

THE VINEYARDS

The terraced, south-facing slope in Gundersheim reaches inclines of up to 20%. It forms the western extension of the Westhofener MORSTEIN. Its steepness and elevated position leave it cooler and somewhat more exposed to the wind. At the heart of this southern slope lies the VDP.GROSSE LAGE® Höllenbrand.

THE SOIL

Heavy clayey marl in the topsoil and thick layers of limestone in the subsoil characterize the Höllenbrand. Deep-set veins of water run through the massive limestone slabs, ensuring an optimal supply of nutrients and minerals.

TASTING NOTE

Delicate and multifaceted, with a delicate tannin structure. Cherry and dark berries on the nose, paired with a delicate scent of flint. Fresh and juicy on the palate with medium body and a long finish.

Press Reviews 2024

Robert Parker – **93+ Points**

ALCOHOL: 13,0% vol		**GRAPE VARIETY:** Pinot Noir
