Grape Variety:

Weisser Burgunder (Pinot Blanc) and Chardonnay

VDP ORTSWEIN

Our Ortswein (village-level wines) are hand harvested from our best Westhofen vineyards, with multiple passes to select only the finest optimally ripe fruits. Deep and mineral in nature, they reflect the full potential of these outstanding Westhofen sites.

Viticulture:

Intensive work in the vineyards throughout the year, low yields and rigorous hand sorting lay the foundation for top quality wine.

Our approach in the cellar tends toward the traditional, with grapes and must undergoing a gentle pressing. The wines are primarily fermented in classic oak casks

Description:

Elegant acidity; creamy texture and complex aromas of exotic fruit.
