

TASTING NOTES

List number: 16130

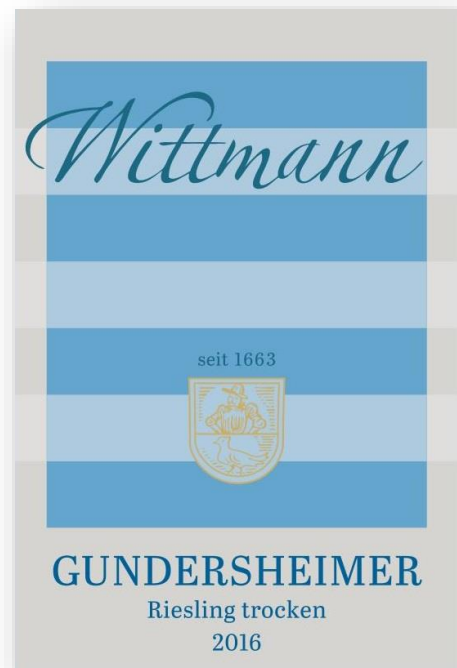

2016 Gundersheimer Riesling trocken

Analysis:

Alcohol: 12.0 %vol.

Grape Variety:

Riesling

VDP ORTSWEIN:

Our Ortswein (village-level wines) are hand harvested from our best vineyards, with multiple passes to select only the finest optimally ripe fruits. Deep and mineral in nature, they reflect the full potential of these outstanding sites.

Viticulture:

Intensive work in the vineyards throughout the year, low yields and rigorous hand sorting lay the foundation for top quality wine.

Our approach in the cellar tends toward the traditional, with grapes and must undergoing a gentle pressing. The wines are primarily fermented in classic oak casks.

Tasting Notes:

Striking fruit aromas of mandarin, lemon and the herbal touch of basil form the foundation of this wine, enhanced with a cool minerality. Subtle yet persistent acidity lingers into a long finish marked with bright flavors of fresh fruit.
