

2017 RIESLING TROCKEN

VDP.GUTSWEIN – 17106

VDP.GUTSWEIN

They say that you never get a second chance to make a first impression. Our Gutswein serve as that calling card, introducing the elegance and sense of place for which our Rheinhessen estate is known. The grapes are all grown in our own vineyards, cultivated bio-dynamically and tended by hand. They are exceptionally food friendly wines both in their youth and as they mature.

VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. In the cellar, gentle pressing is followed by traditional vinification methods. The wines are primarily fermented in traditional large barrels.

TASTING NOTE

Our Gutswein-level Riesling delivers a remarkable portrait of its origins: the limestone-rich soils of Westhofen. Rigorous manual labor in the vineyard and traditional fermentation in large wooden barrels establish this wine's pedigree as a "true" Wittmann. Citrus, grapefruit and wild herbs in the nose. Deep, yellow Riesling fruit aromas mingle with a focused, almost salty, limestone minerality.

PRESS REVIEWS

James Suckling - **93 Points**: "Wittmann's 2017 basic estate riesling tastes better than some single-vineyard wines! Delicate peach, quince and citrus notes, but also plenty of herbal and mineral character. From biodynamically grown grapes."

Gault Millau - **90 Points**

Eichelmann - **86 Points**
