

2017 GRAUER BURGUNDER TROCKEN

VDP.GUTSWEIN – 17108

VDP.GUTSWEIN

They say that you never get a second chance to make a first impression. Our Gutswein serve as that calling card, introducing the elegance and sense of place for which our Rheinhessen estate is known. The grapes are all grown in our own vineyards, cultivated bio-dynamically and tended by hand. They are exceptionally food friendly wines both in their youth and as they mature.

VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. In the cellar, gentle pressing is followed by traditional vinification methods. The wines are primarily fermented in traditional large barrels.

TASTING NOTE

Alluring aromas of apple, hawthorn and citrus are married with soft smoky and nutty nuances. The subtle, playful acidity is underscored with a creamy texture. Long, lingering and herbal finish.

PRESS REVIEWS

James Suckling - 91 Points: "I hate this grape variety!" Philipp Wittmann says. Yet with this he produces a moderately ripe and supple dry wine with chalky mineral character at the finish. Just a hint of raisin aroma. Drink now."
