

2018 WESTHOFENER SILVANER TROCKEN

VDP.ORTSWEIN – 18111

VDP.ORTSWEIN

VDP.ORTSWEIN are authentic ambassadors of their community. The grapes must be grown all within a single municipality in traditional vineyards of distinctive character. Westhofen's typically clayey-marl and limestone soil lends itself to wines of notable depth and great expression.

VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. In the cellar, gentle pressing is followed by traditional vinification methods. The wines are primarily fermented in traditional large barrels.

TASTING NOTE

Aromas of fresh mint, citrus and wild meadow herbs. Juicy, vibrant flavors laced with a marked minerality and playful acidity. Beautiful oak aromas join the elegant body, moving hand-in-hand into a lasting, mineral finish.
