

## 2021 WESTHOFENER WEISSER BURGUNDER & CHARDONNAY TROCKEN

VDP.ORTSWEIN – 21112

### VDP.ORTSWEIN

VDP.ORTSWEIN are authentic ambassadors of their community. The grapes must be grown all within a single municipality in traditional vineyards of distinctive character. Westhofen's typically clayey-marl and limestone soil lends itself to wines of notable depth and great expression.

### VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. In the cellar, gentle pressing is followed by traditional vinification methods. The wines are primarily fermented in traditional large barrels.

### TASTING NOTE

Creamy texture, refined acidity and nuanced aromas of mango and lime. Voluptuous flavors, elegant concentration and a playful acidity.

*creamy texture – voluptuous flavors*

“(…) is from those vats that do not undergo the second winter on the lees, like the Reserve, but that are aged in stücks, tonneaux and pièces until July. Bottled just recently, the 2021 shows a very clear and elegant bouquet with chalky notes intertwined with ripe, white fruit aromas and refreshing flinty notes. Very elegant and balanced on the palate, with ripe and elegant fruit, sustainable grippy structure and salinity, (...) with noblesse and fine grip.” – *Stephan Reinhardt, Robert Parker Wine Advocate*
