

2021 AULERDE RIESLING TROCKEN GROSSES GEWÄCHS

VDP.GROSSE LAGE - 21116

VDP.GROSSE LAGE

VDP.GROSSE LAGE denotes Rheinhessen's highest-quality vineyards, each precisely demarcated by parcel. Wines grown in Grosse Lage sites are notable for their extraordinary sense of place and cellarability.

THE VINEYARDS

Given that the first written record of this vineyard dates back to 1380, it appears that our predecessors long ago recognized just how sublime this south-facing hillside truly is. Sloping gently towards the village, it is our warmest site and promotes early ripening of the grapes.

THE SOIL

Our Riesling vines grow in the heart of AULERDE, where heavy clayey marl soil is laced with loess loam and limestone and the subsoil is leavened with yellow and sandy clay loam with gravel. The vines in this site are nearly 70 years old and planted in high density.

TASTING NOTES

„(...) offers a deep, spicy, refined and very elegant bouquet with ripe fruit and finely flinty as well as phenolic nuances. Lush and savory on the palate, this is a very elegant and harmonious Aulerde with fine acidity and stimulating salinity and lots of refreshing grip on the pure and crisp finish.“ – *Stephan Reinhardt, Robert Parker Wine Advocate*
