ESTATE

They say that you never get a second chance to make a first impression. Our ESTATE wines serve as that calling card, introducing the elegance and sense of place for which our Rheinhessen estate is known. The grapes are all grown in our own vineyards, cultivated bio-dynamically and tended by hand. They are exceptionally food friendly wines both in their youth and as they mature.

VITICULTURE & VINICULTURE

High quality wine doesn't come on its own. It starts in our vineyards with yield reduction, hand selection of the fruit and a variety of other biodyn-friendly measures throughout the year. Selective hand-picking, gentle destemming and the fermentation on the skin are the basis for this elegant pinot. The wine is matured in traditional French oak barrels for around 14 months.

TASTING NOTE

A still youthful Pinot with aromas of red berries, cherry and mint. On the palate, fine roasted notes and a hint of spice lead to a mineral finish.

Red Berries – elegant spice – mineral finish
