2022 LA BORNE RIESLING ALTE REBEN TROCKEN

VDP.AUCTION WINE – 22124

LA BORNE

The elderly of Westhofen called the upper part of the MORSTEIN “Laborne”. If the name comes from the French “la borne” (boundary stone) or from “Born” (fountain), is not definitely clear.

THE SOIL

One of our oldest vineyards in the upper MORSTEIN profited by this condition exceptionally because of its altitude. From grapes with small berries and after a late harvest we get a highly complex wine of intensive fruit und minerality. The upper layer of soil is primarily heavy clayish marl interspersed with deposits of limestone. The water-conducting layers of limestone that predominate in the subsoil, ensure that the vines are well supplied with nutrients and minerals.

TASTING NOTE

“(…) A radical chalky dry Riesling with Crystalline purity that’s as amazing as the stunning concentration and vitality. (...) Still so youthful, but with a joyfulness that is completely infectious.” – *Stuart Pigott, James Suckling*
