ESTATE

They say that you never get a second chance to make a first impression. Our ESTATE wines serve as that calling card, introducing the elegance and sense of place for which our Rheinhessen estate is known. The grapes for this wine are a selection of our Westhofen vineyards and were harvested in beginning of November. They ESTATE wines are exceptionally food friendly, both in their youth and as they mature.

VITICULTURE & VINICULTURE

Intensive vineyard maintenance throughout the year, low yields and an uncompromising selection of bunches – by hand – lay the foundation for wines of high quality. In the cellar, the grapes and must are handled very gently. For the most part, the wines ferment in traditional, old oak casks.
